

REPORTING TO MEMBERS

Dear Members

There have been a number of changes in the Corporations Act over recent years in relation to the way the Club can report to members and give notices of meetings.

From next year, the Club will only be sending the Annual Reports (comprising the directors' reports, financial statements and auditors report) to those members who request to receive them.

Under the Corporations Act, the Club is not required to send a copy of these reports to all members but only has to send them to members who have elected to receive them.

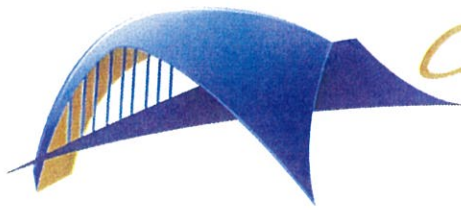

Annual reports will also be available on the Club's website.

Furthermore, members will be able to obtain Annual Reports by simply making a request to reception.

Please complete the form for Election to receive Annual Reports and return to the Club via the following ways:

- 1 via post to City of Sydney RSL & Community Club Limited 565 George Street Sydney NSW 2000.
- 2 Email: admin@cosrsl.com.au
- 3 Or leave at reception or the office on Level 3 at the club.

If you want to receive annual reports in the future, please contact the Club's office?
